§1-605.

- (a) A parks and recreation unit may:
 - (1) maintain a park or recreational facility; and
 - (2) conduct recreation and park activities.
- (b) The parks and recreation unit may employ an administrative officer and other personnel as necessary and as authorized by the governing body of the county or municipality.
- (c) The parks and recreation unit may organize volunteer groups or councils to aid in the implementation of the program.
